

# Northside Hester Park Steering Committee Meeting

**November 3, 2011 – Cathedral High School Conference Room.**

Members Present: Pam Haugen, Kelly Haugen, David Mohs, Kevin Kelly, Janet Reigestad, Ellen Lies.

1. Park updates: Joan was unable to attend, but relayed that there was nothing new to report. She did say that she did re-notify the park department of the creeping charlie problems.
2. Treasures Report: Pam reported no change in finances. Coborn's has been reissued a check by the coalition.
3. Home tour. Sue will check with Kaye about the tentative list of homes and contacts for future tours, since Kaye indicated that she might not have time to lead the home tour this year.
4. Annual neighborhood meeting dates and time considered were Thursday February 23 or March 1 from 6:00 PM to 7:30 PM. Have it catered by Micheals. Pam will check with Micheals. A \$2000.00 budget was agreed upon. There will be a short presentation on what has happened over the past year, and the some time to get ideas from the neighbors as to what they would like to have done in the neighborhood. David will check on the availability of the Cathedral High School cafeteria on those dates. Post cards will possibly sent and R.S.V.P's would be requested. It would also be put in our next newsletter. David offered to get updates on the mailing addresses.
5. Newsletter: Our next newsletter should be coming out in February. We will try to get it out before the annual meeting. The newsletter will be on the December agenda.
6. Christmas decorating contest: We thought it would be nice to have a Christmas decorating contest in the neighborhood. First prize would be \$50.00 and a t-shirt. Second prize would be \$25.00 and a t-shirt. Third prize would be a t-shirt. The judging would be done by committee members driving the neighborhood and choosing the displays they thought were the best. Kevin said he would be willing to take pictures of the houses for our newsletter.
7. The answer to our question of how many people came to our web site was approximately 11 to 12 visitors a day. It is not possible to tell who is visiting the site. It was felt we could promote the use of the wiki site by an easier access through the St. Cloud Neighborhood coalition site. Kelly suggested making a magnet with the site address on it and hand them out at the annual meeting. He will check into and follow through with this. It was also suggested to put it in our newsletter again.

Next meeting will be 6:30 PM on December 1 at Cathedral High School. Everyone is welcome.
